EXT. HOUSE. NIGHT.

Wearing a lampshade for a crash helmet, GROMIT is clinging to the speeding toy train.

WALLACE

Don't worry, Gromit! I'm - whoa! - right behind you!

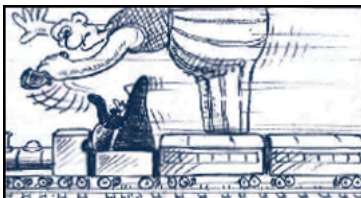

Standing in the tender of the toy steam train, Penguin lowers a gun and fires a shot.

Wearing the mechanical trousers Wallace swerves on to another track.

WALLACE

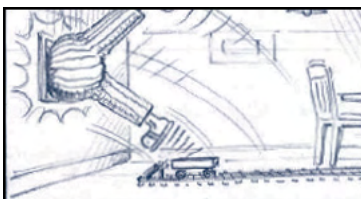

Wooaah! Hang in there, Gromit, everything's under control!

Wallace comes alongside Penguin and snatches the gun.

WALLACE

I'll have that if you don't mind.

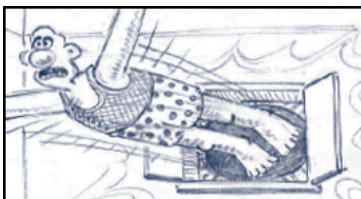

Wallace sees the wall in front of them approaching fast!

WALLACE

Huh?

Wallace flies through the serving hatch in the wall.

WALLACE

Oooooaaarrrgh!

Wallace lands on a trolley and zooms away.

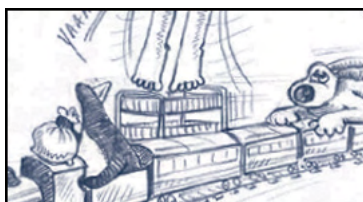

Gromit throws off his helmet and begins to inch his way up the train towards Penguin.

Wallace comes up alongside the train on the trolley. He is holding a butterfly net.

WALLACE

Tally ho! Leave him to me! I'll get the
bounder!

Wallace's net catches on a stag's head on the wall and he is pulled off the train.

WALLACE

Wooooaaaaaarrgh! Get him, Gromit!

Penguin throws a lever and sends Wallace and Gromit on to another stretch of track.

WALLACE

Gromit! We're doomed!

The track they are on is running out! Right in front of some glass doors!

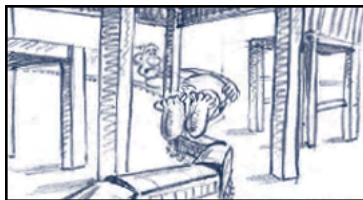

Gromit snatches up a box of SPARE TRACK... and frantically starts laying it down in front of the speeding train.

WALLACE

Oooh! Mind the table, Gromit!

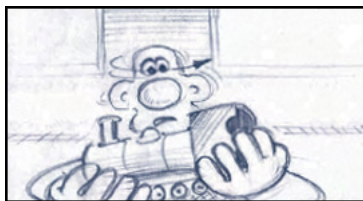

They swerve underneath and through the table.

WALLACE

Ooh! Ah! Ooh! Ah! Ooh!

Penguin thinks he has made his escape. But Wallace comes the other way and snatches what he thinks are the stolen goods. But all he has in his hands is the toy steam engine.

WALLACE

Huh? All yours, Gromit!

Gromit, still laying spare track in front of the train, comes alongside Penguin.

Up ahead the mechanical trousers are walking into position to block the line and Penguin's escape route.
